

Colour Mixing Record Sheet

Record every tested recipe. The only way to reproduce a colour reliably is to have written it down.

RECIPE #01					_____ colour name / working title:
Resin brand: _____	Date: _____	Pour type (coating / casting / gel): _____			
Colorant (brand / name)	Type	Amount	% vol	Notes	
RESULT: <input checked="" type="checkbox"/> Success <input type="checkbox"/> Minor issues (see notes) <input type="checkbox"/> Remake					

RECIPE #02					_____ colour name / working title:
Resin brand: _____	Date: _____	Pour type (coating / casting / gel): _____			
Colorant (brand / name)	Type	Amount	% vol	Notes	
RESULT: <input checked="" type="checkbox"/> Success <input type="checkbox"/> Minor issues (see notes) <input type="checkbox"/> Remake					

RECIPE #03					_____ colour name / working title:
Resin brand: _____	Date: _____	Pour type (coating / casting / gel): _____			
Colorant (brand / name)	Type	Amount	% vol	Notes	
RESULT: <input checked="" type="checkbox"/> Success <input type="checkbox"/> Minor issues (see notes) <input type="checkbox"/> Remake
